

## BLACK POPE WHITE POPE

This prophecy is from Culleton's The Prophets and Our Times: <http://essan.org/References/TheProphetsAndOurTimes.pdf>  
93a. Old Italian

"When the White Pope and the Black Pope (Head of Jesuits or an Anti-Pope) shall die during the same night, then there will dawn upon the Christian nations the Great White Day."

***The great white day could refer to the Warning!***

I never really understood this til Ratzinger resigned. Francis will soon resign. It wont be Sarah who replaces him but Turkson who is of the same ilk as Francis.
